Hello Neighbours,

Save the Date!!

On Wednesday, November 4, 2020, we will hold the Annual General Meeting of the Bryanston Gate Community Association, beginning at 7:00 PM via Zoom.

Our guest speaker will be Constable Jeffrey Kostuch, one of the Community Police Officers assigned to the West Division of the OPS.

We will be sending out preliminary information provided by Const Kostuch for your review. He will briefly touch on this information before the community is given an opportunity to ask questions of Const Kostuch.

Here are the ground rules for this portion of our meeting:

- **This event is organized for the residents of Bryanston Gate and close neighbours who use our facilities regularly. We ask that you respect our time and keep your questions to subjects directly related to this neighbourhood.**
- **If you wish to ask a question of Officer Kostuch, please send us an email request in advance so we can add you to the list.** bryanstongatecommunity@gmail.com
- You will also be able to ask a question during the meeting by raising your hand. You will be added to the queue and called on when your turn comes up.
- Respectful, clear communication is essential for this to be a successful meeting.

Both before and after Constable Kostuch's presentation, we will briefly review the activities of the BGCA over the past year. Your feedback is welcomed as It guides us, moving forward. You are encouraged to ask questions or comment during these portions of the meeting.

The Zoom link will be shared in advance on our FB page and by email.

Mark your calendars! November 4th at 7:00 PM!! Start thinking about your questions!

We look forward to 'seeing you'!

Your Bryanston Gate Executive Team.
