

January 2019

The Bryanston Gate Community Association represents the neighbourhood located north of Hazeldean Road and south of Maple Grove Road, which is accessed by Johnwoods Street. Our boundary is Alon Street and Loreka Court to the west, including Bryanston Gate Park, and Joseph Circle to the east.

Our mission is to monitor and respond to municipal issues that directly impact our neighbourhood. This may include issues related to planning, traffic, recreation and safety. We continue to build spirit and a sense of community by organizing social events for our residents.

The BGCA has no source of funding, other than voluntary membership fees. All executive members are volunteers. We are hoping that you will consider sponsoring our work in return for a guaranteed increase in exposure and promotion of your business. Currently, the BGCA Facebook group has over 200 members and is growing steadily. Our emails reach over 100 addresses regularly. These contacts stretch beyond the Bryanston Gate Community to other local neighbourhoods.

Sponsorship of the Bryanston Gate Community Association

Our core sponsors allow the community association to plan and provide special events in advance without the need for additional fundraising. The Bryanston Gate community will have opportunities to socialize and interact while your business gains exposure and recognition. A win-win proposition!

Level 1 Core Sponsors (Facebook)

- A fee of \$20: monthly advertising on the *Bryanston Gate Community Neighbours* Facebook page, per guidelines.

Level 2 Core Sponsors

- A fee of \$50: monthly advertising on the *Bryanston Gate Community Neighbours* Facebook page.
- Identified as a Core Sponsor (with logo) on the BGCA website (www.bryanstongate.com)

Level 3 Core Sponsors

- Any fee greater than \$100: monthly advertising on the *Bryanston Gate Community Neighbours* Facebook page, per guidelines.
- Identified as a Core Sponsor (with logo) on the BGCA website (www.bryanstongate.com)
- Your business name/logo on the sponsorship banner that accompanies all formal communications from the Bryanston Gate Community Association (email, Facebook) and on the Home page of the website. (Communication is guaranteed at a minimum of 4 times per month)

All sponsorships will run for a period concurrent with the membership fees, next expiring on April 30, 2020.

In other words, your business can advertise for the next two years for less than the cost of a cup of coffee per month!

A higher sponsorship level increases your exposure as our website and all formal postings or emails from the BGCA will have your business logo attached.

Your support is key to our success!

Please consider advertising your business with us!
